

I Know It's Today- *all 3 Fiona's*

Young Fiona:

So, I know...he'll appear. 'Cause there are rules and there are strictures.
I believe the story-books I read, by candlelight.
My white knight ...and his steed. Will look just like these pictures.
It won't be long now, I guarantee. Day number....23.
I know it's today. I know it's today.

Teen Fiona:

So I know...he'll appear. And his armor will be blinding.
As shining as his perfect teeth, and manly hose.
He'll propose...on one knee. And our pre-nup will be binding.
About time we set a wedding date. Day number nine-hundred, and fifty-eight.
I know it's today. He'll show up today.

Fiona:

....Cut the villains cut the vamping. Cut this fairy tale.
Cut the peril and the pitfalls, cut the puppet in the whale.
Cut the monsters, cut the curses, keep the intro, cut the verses.
And the waiting, the waiting, the waiting, the waiting. The wait.....ing.
But I know...he'll appear. Though I seem a bit bi-polar.
And I'm a vandal now as well, hope he won't mind.
I'm a find. I'm a catch, and a very gifted bowler.
It won't be long now, I guarantee.....day number....Are you there God? It's me Fiona.

All 3 Fionas:

It's me Fiona! (hold out) (**Harmony for all 3 girls**)
Now I know...he'll appear. 'Cause there are rules and there are strictures. (cut to end)

Big Bright Beautiful World-*Mama & Papa Ogre*

Mama Listen son, you're growing up so quickly. Growing up, bigger by the day.
Papa Although we want you here...the rules are very clear.
Mama Now you're seven. **Papa:** Now you're seven.
Both: So it's time....to go away.....(*cut to the end of song*)
It's a big bright beautiful world. With possibilities everywhere.
And just around the bend, there's a friend or two....but not for you.
Mama Good-bye!.....Watch out for men with pitchforks.
Papa Good-bye.

Big Bright Beautiful World-*King Harold, Queen Lillian*

King Your Mama packed a dolly, for your trip.
Queen Your Papa packed your books and bubble-gum.
Both: Darling don't be sad, a tower's not so bad!
Queen Just keep waiting.
King: Just keep waiting.
Both And some day.....your prince will come.

Big Bright Beautiful World-*Shrek*

Keep your big, bright beautiful world. I'm happy where I am, all alone.
I got all I need, so read the stinkin' sign! Keep your big, bright beautiful world.
I party on my own- anyway. Doin' what I can with a one-man conga line! (**key change**)
It's not a big, bright beautiful world...But it's mine....alone, it's mine. And it's mine, all mine!

I Think I got you Beat-*Shrek/Fiona*

Fiona: Bare essentials, army cot, a hot plate and a chamber pot, and-
Every' morning I would boil it. No choice, I had no toilet, just a view of devastation
out one window, isolation, in my bed-room. And very little head-room.
Twenty years I sat and waited. I'm very dedicated.
On the walls the days were added.
Luckily those walls were padded. Twenty years.....My Dad and Mom- sent me away.
Shrek: No warm regards. No Christmas cards. And every day was hell on earth day.
I missed my prom, my Dad and Mom. Sent me away. It was my birthday.
I missed my prom, my Dad and Mom. Sent me away!
Shrek fart- "*Oopsy, Ah well, better out than in I always say!*"
Fiona surprises Shrek, and does a "curtsy fart".

Who I'd Be- Shrek, Fiona, Donkey

Shrek We'd stand and stare, we'd speak of love. We'd feel the stars ascending.
We'd share a kiss, I'd find my destiny. I'd have a hero's ending.
A perfect happy ending. That's how it should be!
A big, bright beautiful world..... But not for me.

Fiona: An ogre always hides, an ogre's fate is known.
An ogre always stays in the dark.....all alone!
And I know, he'll appear. 'Cause there are rules and there are strictures.
I believe the story books I read, by candle-light.....

Shrek An ogre always stays **in the dark**.....all alone.
So yes I'd be a hero, and if my **wish was granted**...
Life would be enchanted, or so the stories say.
Of course I'd be a hero, and I would scale a tower, to save a hot-house flower
And carry her away.....

Donkey cue. (*in the dark*) You're all alone.....
cue. (*wish was granted*) All alone.
You need a pal, my calendar's open. Ya need.....me.....

All: A perfect happy ending. That's how.....it....should be.

Don't Let Me Go- Donkey

Hey, hey hey, ya gotta let me go with you.
You don't know what its like to be considered a freak. Well, maybe you do.
But that's why we gotta stick together. Don't speak, don't speak, don't speak.....
Just hear me out. I might surprise you. I'll be a friend, when others despise you.
Don't roll your eyes, stop with the mopin'. You need a pal! My calendar's open! (**cut to end**)
Don't let me go....don't let me go. Don't let me go...oh.....
You need me. You need me!

Make A Move- Donkey

(Donkey speaks quietly to Shrek, a la Barry White)

(spoken) Shrek, I know you can't hear me right now.
But if you could, I'd want to say a few things to you. I am in your corner, buddy.
But you have to tell this girl what you're really feeling deep down.
You may not get another chance. So just go on now..... Just open your heart.....
(sing) You.....gotta. Make a move, you gotta shift into gear.
You gotta buckle down and give it a whirl.
The scene is set right out of a book, with a sunset, and a beautiful girl.

Morning Person- *Fiona*

Good morning skunk, say have you heard, today's my wedding day?
I haven't met my husband yet, but I'm hopeful....anyway.
I'll wear a gown we'll have a ball, and dance forever more.
He'll take me in his massive arms, and spin me...'round the floor.
I've always been a morning person, a morning girl. Hooray.

(***cut to end***) But, this morning. This morning.....this morning....I'm okay!
This morning...I'm okay!

What's up Duloc? *Lord Farquaad*

No one from the gutter, in Duloc.....Embrace the cookie cutter in Duloc.
The upshot is enormous, when you can shout.....
Things....are....looking up.....Here in Duloc. (***skip to end***)

My hard work and my rigor....have made me so much bigger.
Things are looking up...(echo) Things are looking up here in Duloc, here in Duloc.

Ballad of Farquaad *Lord Farquaad*

Me and my old man. A tale as old as dirt.
A bitter distant father, in a tiny undershirt.
Daddy up and left me. Left me good as dead.
Now he lives in squalor.....sleepin' seven to a bed. (

skip to new section) Tricked out carriage; twenty stallions; With a coachman named Raoul.
Big reception. With a boy band. And a royal D.J.....by the pool.....
