

Scuttles Huddle-- Kiss the Girl (Group 1)

Sha la la la la la....Don't stop now- don't try to hide it now. You want to.... kiss the girl.

Sha la la la la la.... Float along...Wah wah, wah wah wah. Woah, woah!

Sha la la la la la... Music play- do what the music say- You got to.....kiss the girl.

Scuttles Huddle- Positovity (Group 1)

Once you know that word...there ain't nothin' you can't do.

And that's how positovity.....works for you!

(Kids will learn a short Dance at the 1st rehearsal)

Flounder- She's in Love- (Group 1)

....And she sighs and she swoons, and she's hummin' little tunes.

Even has a sort-a glow. What on earth could it be? Any hammerhead can see.....

That sigh...That glow....That swoon...Oh no!

She's in love! She's in love!!! See her hips how they swish.

Ariel & Flounder Scene

Ariel has just snatched the sinking fork in the water. She is admiring it.

Ariel Why, it's beautiful! *(Flounder appears- Ariel's best friend).*

Flounder Hey, Ariel! There you are! *(Ariel hides the fork behind her back)*

Ariel Flounder!

Flounder *(gazing at the strange terrain)* Whoa, Freaky!

Ariel What's the matter? Haven't you been to the surface before?

Flounder Yeah. Sure. Me and the other fish in my school, we come up her all the time.

Ariel Is that so?

Flounder Sure! We're not scared of sharks....or boats...or fishermen *(gulp)* What's a chum bucket? Are those for real?

Ariel You ARE afraid, aren't you?

Flounder No, I'm not! I'm here now, aren't I? With you.

Ariel Flounder, you're blushing...

Flounder It's sunburn. You get it up here.

Ariel Are you flirting with me?

Flounder Gross! Blech! No way!

Fish Scene- 4 fish (Group 1)

(Fish 3 hurries on to stage with Fish 1 dragging behind)

Fish 4 - Wait up, wait up!

Fish 1 - *(stops)* Hurry up ya guppy, you're going to make us all late!

Fish 2 - Why did you have to bring your sister with us?

Fish 3 - She is slowing us down.

Fish 1 - My mom wants me to make sure she makes it to school. She's never been to school before.....

Fish 4 - *(Pushing past the other fish)* It's my first day of school, I am so excited! *(Jumping up and down)* I can't wait to meet my class and my new teacher. I can hardly breathe.

Fish 3 - *(not sarcastically)* Chill your gills before you faint. We really need to get swimming or we are gonna miss your first day.

Fish 1 - and you'll miss meeting all your new friends.

Fish 3 - likesharks!

Fish 1 - Oh yah!..sharks and whales and...

Fish 3 - HUMANS!!! *(Fish 3 & 1 giggle)*

Fish 4 - Sharks and whales and humans? *(pause.....then big smile)* THAT'S AWESOME!!!

Fish 3 - Wait...you're not scared?

Fish 2 - *(looking at the other fish and shaking her/his head NO.... and telling the other fish to cut it out with her/his hand across their neck)* Yes....why would anyone be scared?

Tap Dancers-

Ms. Kat will put up a short dance on the website by July 7th for you to learn if interested. She will also teach and review it the first week of rehearsals and auditions.

Mersisters - SHE'S IN LOVE-

Aquata Ariel is working my last nerve. Acting like a big fish in a small pond.
Adella Swimmin' upstream when everybody else is swimmin' down.
Arista If you ask me, it's because she's a Pisces.
Atina No question about it! She sure is acting fishy lately!

Allana She's dizzy and she's dreamy.
Arista Her head's up in the foam.
Aquata Her eyes have gone all gleamy, it's like there's no one home.

3 girls: She floats away the days, mopin' on the coastal shelf.
Andrina You ask her where she's goin', she giggles like a fool.
Adella She barely sticks a toe in, down at the tidal pool.
Atina It's more than just a phase. Face it.... she's just not herself.
Aquata Is she ill?
Arista Or insane?
Allana Is it water on the brain?

All 6: What has got her bothered so?
Andrina: It's the bends!
Adella: It's the flu!
Atina Gosh I wish we had a clue!
All 6: Oh wait! Oh dear! Good grief? It's clear.
She's in love.....she's in love...Pounding heart! Ringing bells!
Look, I think she's even wearing brand new shells!

Mersisters Scene

SEBASTIAN Apologies, Sire, but that girl.....she's gonna be the death of me!
Swimmin 'when she should be singin'.

AQUATA If I'd had that solo, this would never have happened.

ARISTA That girl is angling for trouble

ANDRINA Sounds fishy to me...

ATINA I say, give her the hook.

ALLANA Fish puns? Aren't we better than that?

AQUATA Honestly, Daddy! You let Ariel get away with everything --

KING TRITON (*Trying hard to keep the peace*) Now, now. I love all my daughters equally....

ATINA Oh, please. That answer's as canned as tuna, and twice as oily!

AQUATA Arista's prettier than Ariel. Andrina's smarter. Allana's sweeter, Attina's – older, and Adella! Let's face it Daddy, you're the only male attention Adella's ever gonna get!

ADELLA Hey! What've you got that Ariel doesn't?

AQUATA Naked ambition and a willingness to kill. (*They exchange a dirty look*)

SCENE- Flotsam, Jetsam, Ursula

The two eels slither on. They are as slimy as a used car salesman. (Ursula's Lair)

Flotsam Oh, Mistress of the Deep....
Jetsam Beauty of the Brine...
Flotsam You should've seen it! All those Merfolk, singing Triton's praises, and cursing your name.
Jetsam Declaring a national holiday. *(They hear a dark female voice that ripples with evil offstage)*
Ursula *(off stage)* Holiday, my blow hole! *(She enters)*
It's the day my brother Triton got greedy, that's all! The day he stole MY half of the Kingdom!
Flotsam To think...your very own flesh and blood-
Jetsam And he double crosssssssssssed you-
Flotsam His own sssssssister-
Jetsam Casting you into exile, a life of shame and unceasing solitude-
Flotsam In the shadowy depths of a sssssserpentine sssssea.
Ursula ALL RIGHT, ALL RIGHT! Don't blow your fuses, eels....

Daddy's Little Angel- Flotsam, Jetsam, Ursula

Flotsam/Jetsam Daddy's little angel! Daddy's little sweet! Such a little frilly femme.
She was seaweed and spice, and everything nice.
Ursula: And I dreamed and I schemed how to put her on ice!
Flotsam/Jetsam Daddy's little angel....How could you compete?
With a girl so heaven-sent?
Ursula Just one spell from the shell, and back to heaven she went.
Ursula Daddy's little angel....Trust me, fellas, I know.
Yes indeedy, I know! Trust me fellas, I know!
Flotsam/JetsamDaddy's little angel!.....Daddy's little angel!....La la la.....

Ursula- Poor Unfortunate Souls

You poor unfortunate soul. It's sad, but true.
If you want to cross a bridge, my sweet, you've got to pay the toll.
Take a gulp and take a breath and go ahead and sign the scroll.
Flotsam, Jetsam, now I've got her boys- the boss is on a roll.
You poor...un-fortunate soul.....

Scuttle & Ariel

Scuttle, the seagull flies down toward the shore. His feathers are askew, giving him the appearance of an avian Albert Einstein. Ariel sees him coming.

Scuttle Airspeed, check! (*looking down at the ground*) Altitude check! (*wiggling his feet*). Landing gear, check! (*a squawk*) CLEAR THE RUNWAY! AWK!
Hello Ariel!

Ariel I know just who to ask about the treasure!
(*Scuttle lands, and Ariel is waving the fork*)

Ariel Scuttle, look what we found!

Scuttle More human paraphenicular, eh? You've asked the right bird; I happen to be an expert on that very specie-ality.

Ariel Can you tell us what it's for?

Scuttle Oh, this is rare, ridonkulously rare. And in Sistine condition!

Ariel What? What is it?

Scuttle It's a dinglehopper!

Ariel A dinglehopper?

Scuttle Commonly used in saloons, yes, of the beauty variety. (*He demonstrates*) Humans they like to wear their hair in tails, pony or pig or duck, it's all the same to them. A primp here and a twirl there, and voila! A Pompadour-able. And all thanks to-

Ariel The dinglehopper!

Scuttle Give ya two sand dollars for it.

Ariel Scuttle, no.

Scuttle- Positoovity

Spoken- Ya gotta have a little gumption...a "can do" kinda altitude!

Take it from a gull who knows.

Now look at me...ya see this face? In terms of beauty, I'm a basket case.

And as for style, and savoir faire- well I guess there ain't a whole lot there.

Yet, although, perhaps, it makes no sense. I strut my stuff with lots-a confidence.

'Cause though I lack an awful lot, there is one thing I've got....I got positoovity.

I got positoovity!.....So let that positoovity work for you.

Ursula & Ariel Scene

Ursula just finished singing "Poor Unfortunate Souls" to her.....

Ursula Here's my best offer, babykins. I know a spell that will turn you into a human for three days. Now it's got a procedural clause, sort of a "squid pro quo". Before the sun sets on the third day, you've got to get dear ol' princey to kiss you. If you do, you'll stay human forever!

Ariel And if I don't?

Ursula Nothing drastic darling, I'm sure....Oh, look- small print: YOUR soul is mine forever, and you're doomed to spend eternity in my watery lair. Lawyers! Don't you just love 'em?
Of course, there is one more thing...my fee.

Ariel But I don't have anything!

Ursula I'm not asking for much. Only.....your voice.

Ariel My **voice**?

Ursula Don't worry. I have the perfect place for it. *(She sees the enormous white glowing shell)*

Ariel Your magic shell!

Ursula You've heard about it? *(she is slightly nervous)*

Ariel Father says it's the source of all your witchcraft!

Ursula Nonsense, darling!

Ariel He says you'd die without it.

Ursula Die? Oh please!

Ariel – Part of Your World

Bright young women- sick of swimmin' – ready to stand.

And ready to know what the people know.

Ask'em my questions and get some answers.

What's a fire, and why does it- what's the word...burn?

When's it my turn? Wouldn't I love...love to explore that shore up above?

Out of the sea. Wish I could be...part of that world.

Ariel – The World Above

There's so much light here. Light and space.

The sun's so bright here, upon my face.

It feels so right here....warm as love.

Life seems to be somehow calling to me from this strange new world above.

Ariel & King Triton- Scene

Ariel's Grotto- The King recently found out Ariel rescued Prince Eric.

Triton So did you?
Ariel I had to rescue the Prince-
Triton You HAD to?
Ariel Without me, he would've perished!
Triton He's a human- you're a mermaid.
Ariel I can't hate him just because he's different. Perhaps you can, but it's just not in me-
Triton "Different"? They catch us with their hooks, they spear us with their blades
Ariel They're not all like that!
Triton Have you forgotten what they did to your mother?
Ariel We don't know that for certain....
Triton Can there be any doubt? She slips out one morning for an innocent swim and never returns!
Ariel You can't **prove**—
Triton I know it in my heart, and that's enough. Murderers, all of them!
Ariel You can't blame ALL HUMANS for a few wicked ones--

Ariel & Sebastian Scene (Ariel cannot speak)

Out of the frying pan, into the fire! The things I do for you, young lady! Now, I know what I should do! I should march you right back home to your father- **(Ariel's' eyes grow wide with alarm, and she shakes her head "No")**

So you can be miserable the rest of your life.....*(He sighs heavily, he just can't bring himself to stand in Ariel's way)* It's true. I got no backbone. All right, child. I'm in. Now we got to make a plan to get that boy to kiss you, before it's too late! You gotta bat your eyes, **like this**.....then you gotta pucker your lips, **like this**.....

Eric meets Ariel Scene

Prince Eric is on the beach, and sees Ariel. (She has no voice, and has legs)

Eric: Miss, are you all right? You...you seem very familiar. Have we met?

Yes...of course! I've been looking for you, everywhere!

Please, you must tell me: what's your name? **Ariel can only shrug**

Excuse me? You don't speak English? **This time Ariel mouths her name.**

Sore throat, eh? **Ariel draws a finger across her throat, sadly.**

I'm sorry. You don't speak at all, do you? For a moment, I mistook you for somebody else. **Ariel is frustrated & stands and tries to pantomime the truth- SHE'S the one!**

What is it? You're hurt? No, no...You need help? **Ariel- suddenly, all the excitement and her new legs- take a toll on her. She wobbles and falls, right into Eric's arms.**

A bit dizzy, aren't you? I've got just the remedy! A warm bath, and a hot meal! Come on now-you'll be fine. The palace isn't far. *(Prince Eric lifts & carries Ariel toward the palace)*
